

The story of the Ballyedmond McCormack/McCormick family; those who came to America and those who stayed in Ireland.

The Ballyedmond McCormacks in Ireland and America

An Irish Tale

James A. McCormack

This labor of love was almost 20 years in the making. I drew on resources in America and in Ireland, including family oral tradition and memoirs, verified wherever possible, church and civil records, newspaper accounts and a few secondary sources. The result was a 240 page volume including about 300 photos and charts.
